RE: Federal Center Facility, 607 Hardesty Avenue, Kansas City, Missouri

Dear Mr. Hartshorn:

I have reviewed your July 12, 2004, Remedial Alternatives Evaluation for an area of chlorinated solvent groundwater contamination at the Hardesty Federal Center facility. The remediation alternative schedule is approved for implementation.

Please provide notice at least five (5) working days prior to initiating field activities so that I have an opportunity to make arrangements to be present. You may contact me at (573) 751-7538 or P.O. Box 176, Jefferson City, Missouri 65102-0176 with any questions.

Sincerely,
